ALA Release

Lipoic Complex

Item #76330

60 tablets

An alpha-lipoic acid complex, containing alpha-lipoic acid, R-alpha-lipoic acid, biotin, and calcium.

Suggested Use

As a dietary supplement, 1 tablet one or two times daily with food, or as directed by a healthcare professional.

WARNING: Alpha-lipoic acid may lower blood glucose levels; those with diabetes or related conditions should monitor blood glucose levels. Pregnant or breast-feeding women, those with thiamine deficiency or thyroid disease, and children should use alpha-lipoic acid only under the supervision of a healthcare professional.

Serving Size: 1 tablet

Servings Per Container: 60

Amount Per Serving:

Biotin (as d-Biotin) 1 mg

Calcium (as Calcium Sulfate) 60 mg

Alpha-Lipoic Acid. 270 mg

R-alpha-Lipoic Acid (as R-alpha Lipoic Acid sodium salt) 30 mg

Other ingredients: Magnesium stearate, cellulose, magnesium trisilicate, silica, cellulose and glycerin coating, stearic acid, vegetable glaze.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Amino Acid Quick-Sorb™

Product # 5223 (2 fl oz) | Sublingual Free-Form Amino Acids

Amino Acid Quick-Sorb™ is a liquid supplement supplying nine free form L-amino acids, which provide a stabilizing effect. It may be used to support healthy blood glucose levels that are already within a normal range.*

Recommendation: Five (5) drops under the tongue, one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 0.16 ml (approx. 5 drops)

Servings Per Container: 375

	Amount Per Serving
Proprietary Blend	50 mg*
Glycine*, L-Alanine*, L-Arginine HCl*, L-Lysine HCl*, L-Proline*, L-Histidine HCl*, L-Serine*, L-Threonine*, and L-Valine*	
* Daily Value not established	

Other ingredients: Purified water, glycerol, glycine, L-Alanine, L-Arginine hydrochloride, citric acid, L-Lysine hydrochloride, L-Proline, L-Histidine hydrochloride, L-Serine, L-Threonine, L-Valine, potassium sorbate and sodium benzoate.

A good-tasting liquid containing nine free-form L-amino acids that provide a stabilizing effect on blood glucose levels. Use in situations where a need to rapidly increase blood glucose levels is present, i.e., endurance sports and reactive hypoglycemia. 15–20 drops as needed.

Balanced-B8

X 225g

SKU #1454

Balanced-B8 is a supplement that blends two isomers of inositol, Myo-inositol (MI) and D-chiro-inositol (DCI), in an optimal 40:1 ratio as a powder. Inositol is a pseudo vitamin, often termed as vitamin B8, is the key component in this formulation. Scientific studies indicate that this specific MI and DCI ratio (40:1), as provided by Balanced-B8, offers optimal support. Both MI and DCI demonstrate insulin-sensitizing capabilities and play vital roles in numerous cellular functions.

Inositol, a crucial element in the transportation of fats throughout the body and neural communication, also contributes to supporting vascular health and is implicated in hair growth.* While inositol is present in all body tissues, it attains its highest concentrations in the brain, heart, and lens of the eye.

Product # 1454 Rev. 08/16

Berberine 500

Metabolic Balance*

Berberine is an alkaloid found in barberry, goldenseal, Oregon grape, and coptis. Our berberine is obtained from Indian barberry root extract (*Berberis aristata*), and is a pure, highly concentrated form (97%). Berberine supports healthy cholesterol within normal levels, normal blood sugar levels, and a normal balance of microbes in the respiratory and gastrointestinal tracts.*

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 90

Amount Per Serving	% Daily Value
Berberine HCl 97% (from Indian Barberry) (root) (<i>Berberis aristata</i>)	500 mg †

† Daily value not established.

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, rice hull concentrate, gum arabic, sunflower oil, silicon dioxide.

Suggested Use: As a dietary supplement, 1 capsule one to three times daily, or as directed by a healthcare practitioner.

Warning: Individuals with diabetes or related conditions should monitor blood glucose levels, as berberine may lower them. Not recommended during pregnancy. Breastfeeding women, and children should use only under the supervision of a healthcare professional.

Key Features

- Pure, highly concentrated berberine HCl (97%)
- Supports normal, healthy blood sugar, and cholesterol within normal levels*
- It also supports a normal balance of microbes in the respiratory and gastrointestinal tracts*
- Berberine 500 is obtained from Non-GMO Indian barberry, and contains no common allergens

SKU #77281
90 vegetarian capsules

Berberine HCl

Product # 5212 (90C) | Glycolytic/Gastrointestinal Support

Berberine HCl supplies Berberine HCl isolated from *Berberis vulgaris* (barberry). Berberine has a long history of use in both Chinese and Ayurvedic medicine to support normal glucose and/or lipid metabolism.+

Recommendation: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for children, pregnant or lactating women.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Berberine Hydrochloride	500 mg	*
* Daily Value not established		

Other ingredients: Cellulose, capsule shell (gelatin and water), modified cellulose gum and magnesium stearate (vegetable source).

Berberine HCl is purified from *Berberis vulgaris* or *Phellodendron chinense*.

Berberine is well known for its natural antibiotic function, especially with intestinal bacterial overgrowth, for its ability to reduce fever, but most especially for its ability to help lower blood glucose and A1c with type II diabetics. Several studies have shown berberine to be as effective as Metformin for increased A1c. Berberine has also been shown to be effective in inhibiting 5 α -reductase type 2, and this is important as overactivity has been linked to the progression of prostate cancer. 1 capsule, 3 times a day.

Beta Plus

X 90 Tablets

Beta Plus serves as a rich source of bile salts, digestive enzymes, organic beet concentrate, as well as SOD (superoxide dismutase) and catalase. This formulation is particularly relevant in cases where the gallbladder has been removed, or in situations where additional bile salts may prove beneficial for digestive support.

BENEFITS

Dairy free

Gluten free

INDICATION

- Gall bladder Dysfunction
- Constipation
- Biliary insufficiency
(light coloured stools Kya)
- Diuresis

SUGGESTED USE

Recommendation: One (1) tablet with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Tablet

	Amount Per Serving	% Daily Value
Ox Bile Extract	100 mg	*
Pancrelipase (porcine)	50 mg	*
Organic Beet Concentrate** (Beta vulgaris) (whole)	100 mg	*
Superoxide Dismutase (from vegetable culture †)	20 mcg	*
Catalase (from vegetable culture †)	20 mcg	*

* Daily Value not established

Other ingredients: Cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source) and food glaze.

† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

** Whole beet concentrate from certified organically grown beets.

This product is gluten and dairy free.

RECOMMENDATION: One (1) tablet with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area.
Sealed with an imprinted safety seal for your protection.

Product # 1210 Rev. 9/18

Beta-TCP™ contains both digestive and antioxidant enzymes (vitamin C), along with taurine and organic beet concentrate. It is designed to help support healthy bile flow and the normal conversion of bile acid to cholesterol.

Recommendation: One (1) tablet with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Vitamin C (ascorbic acid)	60 mg	67%
Taurine	100 mg	*
Pancrelipase (porcine)	50 mg	*
Organic Beet Concentrate** (<i>Beta vulgaris</i>) (whole)	100 mg	*
Superoxide Dismutase (from vegetable culture [†])	20 mcg	*
Catalase (from vegetable culture [†])	20 mcg	*

* Daily Value not established

Other ingredients: Cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source) and food glaze.

** Whole beet concentrate from certified organically grown beets.

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is the same as Beta-Plus except it does not contain bile salts but does contain vitamin C, taurine, and pancrelipase (all known to assist with cholesterol-to-bile acid conversion). Use with biliary stasis where there is no constipation or light-colored stools and the gallbladder has not been removed. Subjective indications for use include: pain over the eyes, pain when pressure is applied to the webbing between the right thumb and forefinger, pain between the shoulder blades, gas, bloating, inability to tolerate fats or fried foods, or a history of gallbladder attacks where stones were detected or suspected. 2–4 tablets, 3 times a day with meals. If gallstones are suspected or known to be present, use with Liquid Iodine Forte, MG-Zyme, B6 Phosphate, Phosphatidylcholine, and Super Phosphozyme.

Bio-CardioSirt BP®

Product # 2905 (8 oz) | Patented Formula for Cardiovascular Support

Bio-CardioSirt BP® supplies a unique (patent pending) combination of 7 key micronutrients that support normal, healthy blood pressure levels.* These include the vitamins C, D and B6, along with biotin, magnesium, taurine and grape seed extract.

Recommendation: One (1) rounded scoop mixed with six (6) to eight (8) ounces of water or beverage of choice each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 7.9 g (approx. 1 scoop)		
Servings Per Container: 30		
	Amount Per Serving	% Daily Value
Vitamin C (as magnesium ascorbate)	1,000 mg	1,111%
Vitamin D (as cholecalciferol)	50 mcg	250%
Vitamin B6 (as pyridoxine hydrochloride)	100 mg	5,882%
Biotin	2,000 mcg	6,667%
Magnesium (as magnesium ascorbate)	87 mg	21%
Proprietary Blend	6,150 mg	
Taurine		*
MegaNatural™-BP grape seed extract		*

***Daily Value not established**

MegaNatural™-BP and its logo are trademarks of Constellation Brands Inc.

Patent No. 9,642,885, Biotics Research Corporation

A new product recently added to the Biotics Research food supplement line. The product supplies a unique, patent-pending combination of vitamins C, D, B6, biotin, magnesium, and a proprietary blend of taurine and grape seed extract. A placebo-controlled human clinical trial of forty-two adults with hypertension (systolic > 140, diastolic > 90) was completed. Participants who were on blood pressure medications had a one-month period where their medications were removed prior to participating in the study, and those with cancer, congestive heart failure, renal or liver disease, and/or a history of clinical angina or cerebrovascular accident were excluded from the study. Twenty-two participants received BioCardioSirt BP and 20 received a placebo.

All participants were advised to not make any lifestyle changes during the four-week trial period. At the end of the trial period, the participants on BioCardioSirt BP lowered their systolic BP by 15.96 mmHg and their diastolic BP an average of 11 mmHg. These decreases were significant when compared to the placebo group. One scoop daily.

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing **Phytochemically-Bound Trace Elements™** and/or naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

^{††} A unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates.

Bio-Cardiozyme Forte®

is a broad-spectrum formulation, specifically designed to support healthy cardiovascular function.* It supplies a wide spectrum of vitamins, minerals, amino acids, botanicals, and antioxidant enzymes, all recognized as being supportive to cardiovascular health.* It also contains specific organ and glandular support.

Recommendation: Four (4) capsules each day as a dietary supplement or as otherwise directed by a healthcare professional.

A broad-spectrum product designed to support cardiovascular function. Contains vegetable culture minerals, phosphorylated forms of B vitamins, and other accessory nutrients known to support cardiac function. Use with cardiac fatigue, muscle weakness, elevated blood pressure, muscle atrophy, and as long-term preventive support. 2–4 tablets, 3 times a day with meals. For severe cardiac stress, add D-Ribose, VasculoSirt, and L-Carnitine.

Note: If the patient is on a prescribed blood thinner, use the vitamin K-free form of VasculoSirt. Further, with any cardiovascular or arterial problem, essential fatty acids (EFASirt Supreme) should be considered.

Bio-E-Mulsion Forte®

Product # 1006 (1 fl oz) | Emulsified for Enhanced Utilization

Bio-E-Mulsion Forte® supplies vitamin E in a liquid, emulsified form to aid with absorption and assimilation. Each drop provides 20 mg of vitamin E as d-alpha tocopheryl acetate (natural vitamin E).

Recommendation: Five (5) drops each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 5 Drops (0.2 mL)		
Servings Per Container: 150		
	Amount Per Serving	% Daily Value
Vitamin E (as d-alpha tocopheryl acetate)	20 mg	133%

Other ingredients: Water, gum arabic and sesame oil.

Natural vitamin E (d-alpha tocopherol) in a low-dose emulsified liquid form (20 mg per five drops). Use with muscle and ligament weakness, chronic viral or bacterial problems, cardiac stress, angina, and topically for skin lesions to help prevent scarring (acne, burns, abrasions). 4–6 drops in a glass of pure water, 3 times per day just before meals. To prevent scarring, use with Liquid Iodine Forte topically.

Other ingredients: Capsule shell (gelatin and water), food glaze and magnesium stearate (vegetable source).

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing Phytochelated Trace Elements™ and/or naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

^{††} A unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates.

Bio-Glycozyme Forte™ is a broad-spectrum product designed to support normal, healthy glycemic function.⁺ It provides vitamins, minerals and organ/glandular support to specifically target glycemic health.⁺

Recommendation: One (1) to three (3) capsules each day as a dietary supplement or as otherwise directed by a healthcare professional.

A broad-spectrum product designed to support reactive hypoglycemia, adrenal fatigue, general fatigue, stress, highly refined diets, and carbohydrate sensitivity. Contains phosphorylated forms of B-1, B-2, and B-6; neonatal bovine and ovine glandular and organ components; chromium, vanadium, zinc, magnesium, and other accessory nutrients. 2–3 tablets, 3 times a day at 10:00 a.m., 3:00 p.m., and 2 hours after supper. If the patient is able to fall asleep but cannot remain asleep, add 3 tablets just before bedtime. If use of the product on an empty stomach causes distress, dose with meals with 1 Betaine Plus-HP. With some patients, we have found that although their blood sugar is high, Bio-Glycozyme Forte will often provide results for the patient where GlucoBalance did not provide results.

Cardio-Lipid X 270 Capsules

Cardiovascular Health

SKU: 2932

Cardio-Lipid, developed in collaboration with Dr. Mark Houston, combines five essential compounds known for their lipid-supportive benefits. These ingredients—red yeast rice extract, phytosterols, garlic, berberine, and delta-tocopherol—are proven to aid in healthy lipid metabolism and support cardiovascular health. Additionally, the components of Cardio-Lipid help regulate the body's inflammatory responses, maintain healthy blood pressure, and support the health of arteries and coronary artery calcium levels.

**Clinical trials have shown that these natural ingredients are generally well-tolerated and often enhance the effectiveness of other lipid-supportive supplements.*

Warning: Not recommended for pregnant or lactating women.

Supplement Facts		
Serving Size: 3 Capsules		
Servings Per Container: 90		
	Amount Per Serving	% Daily Value
Red Yeast Rice (<i>Monascus purpureus</i>)	800 mg	*
Plant Sterols (from sunflower oil)	700 mg	*
Aged Garlic (<i>Allium sativum</i>) (bulb) (extract)	333 mg	*
Berberine (<i>Berberis aristata</i>) (stem)	167 mg	*
Delta-Tocotrienol (from annatto seed)	33 mg	*
*Daily Value not established		

Other ingredients: Capsule shell (gelatin and water) and magnesium stearate (vegetable source).

This product is gluten and dairy free.

RECOMMENDATION: Three (3) capsules three (3) times per day as a dietary supplement or as otherwise directed by a healthcare professional.

CAUTION: Not recommended for pregnant or lactating women.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area. Sealed with an imprinted safety seal for your protection.

Product # 2932 Rev. 03/24

Chromium Picolinate

Product # 1733 (100C) | Bioavailable Chromium

Chromium Picolinate is a source of chromium, an essential trace mineral important in normal carbohydrate metabolism. It also contains vitamin B6 to provide a synergistic effect, along with SOD and catalase.

Recommendation: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Vitamin B6 (as pyridoxal-5-phosphate)	2 mg	118%
Chromium (as chromium picolinate)	200 mcg	571%
Superoxide Dismutase (from vegetable culture [†])	20 mcg	*
Catalase (from vegetable culture [†])	20 mcg	*
* Daily Value not established		

Other ingredients: Capsule shell (gelatin and water).

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing naturally associated and/or organically bound phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Each capsule supplies 200 micrograms of chromium picolinate and 2 milligrams of vitamin B-6. A well-absorbed form of chromium for use with bodybuilding, weight loss programs, decreased and increased blood sugar levels, and morning sickness. 1–2 capsules, 3 times daily.

CoQ-Zyme 100 Plus Capsules

CoQ-Zyme 100 Plus contains CoQ10, an oil-soluble, vitamin-like substance supplies a highly bioavailable dose of ubiquinone coenzyme Q10 (CoQ10) due to the proprietary emulsification process used for delivery.

SKU #2617
(60 Capsules)

BENEFITS

High CoQ10 absorption

Cardiovascular support

Antioxidant support

Supports mitochondrial health

Gluten free

Dairy free

GMO free

INDICATION

- Cardiovascular support
- Mitochondrial support
- Cardiac stress or insufficiency
- Immune dysfunction
- High blood pressure
- Periodontal disease
- Allergies
- Asthma
- Diabetes
- Ulcers
- Viral infections
- Multiple sclerosis (MS)

SUGGESTED USE

One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional

Supplement Facts

Serving Size: 1 Capsule

	Amount Per Serving	% Daily Value
Thiamin (B1) (as cocarboxylase chloride)	1.5 mg	125%

Other ingredients: Capsule shell (gelatin and water), gum arabic and magnesium stearate (vegetable source).

† Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten, dairy and GMO free.

CoQ-Zyme 30™

Product # 2616 (60T) | Emulsified Mitochondrial Support

CoQ-Zyme 30™ supplies a naturally derived, emulsified form of coenzyme Q10 (CoQ10) (ubiquinone). Since CoQ10 is an oil-soluble, vitamin-like substance, the emulsification assists in uptake and utilization. Published research has demonstrated that CoQ10 supplied by **CoQ-Zyme 30™** is significantly more bioavailable than other more common sources of CoQ10. This is especially important for those who may need to address occasional absorption and/or digestion concerns, as CoQ10 plays a key role in energy production.[†] Heart and skeletal muscles are particularly dependent on CoQ10, as are cells and tissues that are involved in immune function.[†]

Recommendation: One (1) tablet each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Tablet

	Amount Per Serving	% Daily Value
Coenzyme Q10 (naturally derived, emulsified)	30 mg	*
Superoxide Dismutase (from vegetable culture [†])	30 mcg	*
Catalase (from vegetable culture [†])	30 mcg	*

* Daily Value not established

Other ingredients: Cellulose, stearic acid (vegetable source), gum arabic, magnesium stearate (vegetable source), modified cellulose gum, silica and food glaze.

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing naturally occurring phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

CoQH-CF® Ubiquinol Softgels

CoQH-CF® is a reduced form of coenzyme Q10 (ubiquinol). This is the actual antioxidant form of coenzyme Q10, and it also supports cellular energy production. A unique softgel delivery system protects and stabilizes the content.

SKU #76070
(60 softgels)

BENEFITS

Bioavailable ubiquinol

Boosts energy levels

Provides powerful antioxidant support

Fights oxidative stress

Supports the immune system

INDICATION

- Mitochondrial support
- Antioxidant
- Immune support
- Cardiovascular health

SUGGESTED USE

As a dietary supplement, 1 softgel one to three times daily with meals, or as directed by a healthcare practitioner.

Cr-Zyme™ (chromium)

Product # 1701 (100T) | Whole Food Chromium Source

Cr-Zyme™ supplies chromium as a non-yeast, true food-form source of chromium. Chromium is an essential trace element, important in healthy carbohydrate metabolism.[†] It also plays a role in how insulin helps the body with proper blood sugar metabolism.[†] Each tablet of **Cr-Zyme™** provides 200 mcg chromium.

Recommendation: One (1) tablet each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 1 Tablet		
	Amount Per Serving	% Daily Value
Chromium (from vegetable culture [†])	200 mcg	571%

Other ingredients: Cellulose, stearic acid (vegetable source), food glaze and magnesium stearate (vegetable source).

[†] Specially grown, biologically active vegetable culture containing **Phytochemically-Bound Chromium™** and naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of non-yeast chromium from vegetable culture. Contains 200 micrograms of the Glucose Tolerance Factor per tablet. Use with morning sickness, decreased and increased blood glucose levels, elevated cholesterol with low HDL, pancreatic dysfunction, and as a cofactor to zinc and vanadium. 1–2 tablets, 3 times a day with meals.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Cytozyme-AD™

Product # 3001 (60T) # 3028 (180T) | Raw Neonatal Adrenal

Cytozyme-AD™ contains a unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates to help support adrenal health and function. It is designed to target the health of the hypothalamic pituitary adrenal (HPA axis), the body's central stress response system. In addition, **Cytozyme-AD™** contains superoxide dismutase (SOD) and catalase, both derived from vegetable cultures, to provide antioxidant support.

Recommendation: One (1) tablet one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts	
Serving Size: 1 Tablet	
	Amount Per Serving
Cytozyme Adrenal Complex Concentrate†	80 mg*
Superoxide Dismutase (from vegetable culture††)	20 mcg*
Catalase (from vegetable culture††)	20 mcg*
* Daily Value not established	

Other ingredients: Cellulose, stearic acid (vegetable source) and food glaze.

† A unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates.

†† Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of neonatal bovine adrenal. Use with chronic fatigue, hypoglycemia, craving for salt, lowered resistance from long-term illness, flu, colds, hypotension (use with Bio-Glycozyme Forte and Bio-D Emulsion Forte), asthma, inflammation, allergy/sensitivity to foods or environmental toxins, lack of ligament strength (patient is unable to hold a manipulative treatment), ridges in the fingernails, and patients who are unable to work under pressure or become enraged easily. 1-4 tablets, 3 times a day with meals. With severe hypotension, add Bio-3B-G at 2 tablets per waking hour for 10 days, then 9 tablets daily. If the need for Cytozyme-AD exceeds 9 tablets per day, consider using ADB-5 Plus in lieu of Cytozyme-AD.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Cytozyme-H™

Product # 3003 (60T) | Raw Neonatal Heart

Cytozyme-H™ supplies organ-specific support as neonatal heart concentrate (bovine), combined with SOD and catalase important antioxidant enzymes.

Recommendation: One (1) tablet one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Tablet

	Amount Per Serving
Neonatal Heart Concentrate (bovine)	150 mg*
Superoxide Dismutase (from vegetable culture†)	20 mcg*
Catalase (from vegetable culture†)	20 mcg*

* Daily Value not established

Other ingredients: Stearic acid (vegetable source), cellulose, magnesium stearate (vegetable source), and food glaze.

† Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of neonatal bovine heart. Use with cardiac stress, fatigue, lack of muscle tone or integrity, to increase muscle demand for glucose and some cases of fibromyalgia. 1–2 tablets, 3 times a day with meals. In some cases of fibromyalgia, up to 21 tablets a day (7 tablets TID) may be required to resolve tissue inflammation and tenderness.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Product # 1851 Rev. 01/19

GlucoResolve®

Product # 1852 (180C) | Supports Healthy Blood Sugar

GlucoResolve® is a daily multivitamin specifically formulated to support healthy blood sugar levels.* In addition to foundational vitamins and minerals, **GlucoResolve®** contains taurine, lipoic acid, pomegranate seed extract, EGCG, NAC, berberine, acetyl-L-carnitine, forskolin, grapeseed and quercetin that help foster healthy weight management, optimize metabolism, provide powerful antioxidants, and promote AMPK activity (which supports normal energy-generating processes such as glucose uptake).*

Glucose Tolerance II™

with Glucevia™ Complex

 Hypoallergenic

Item #76890

120 vegetarian capsules

Glucose Tolerance II™ provides Glucevia™, a patented European ash extract which safely supports blood sugar within normal levels.* With berberine, chromium, milk thistle, resveratrol, and biotin.

Suggested Use

As a dietary supplement, 2 capsules two times daily with food, or as directed by a healthcare professional.

WARNING: Individuals with diabetes or related conditions should monitor blood glucose levels, as these ingredients may lower them. Not recommended during pregnancy. Breastfeeding women, and children, should use only under the supervision of a healthcare professional. Discontinue use for 15 days before any lab test that uses (strept)avidin-biotin technology. Candidates include thyroid, cardiac, fertility, hormonal, bone metabolism, and other tests. Raised blood levels of biotin may interfere with results.

Serving Size: 2 capsules

Servings Per Container: 60

Amount Per Serving:

Biotin	8 mg
Chromium (as Polynicotinate)	500 µg
European Ash (Seed, Fruit) Extract (Glucevia™)	500 mg
Berberine HCl	500 mg
Milk Thistle (Seed) Extract (standardized to 70-80% Silymarin)	300 mg
Resveratrol (as 99% pure trans-Resveratrol)	250 mg
Other ingredients: Hydroxypropyl methylcellulose, magnesium stearate.	

Glucevia™ is a trademark of Naturex.

Homocysteine Metabolite Formula

Re-Methylation Nutrients*

 Hypoallergenic

Item #72580

90 vegetarian capsules

Homocysteine Metabolite Formula provides nutrients that facilitate the breakdown of homocysteine into methionine and other metabolites.* Homocysteine is metabolized

either in the re-methylation pathway which breaks down homocysteine into methionine, or in the trans-sulfation pathway, where it is metabolized into cysteine and then into taurine. Methylation and sulfation are two pathways of liver detoxification.*

Suggested Use

As a dietary supplement, 1 capsule one or two times daily with meals, or as directed by a healthcare practitioner.

WARNING: If you experience any fatigue or adverse reaction, reduce dose or discontinue use.

Serving Size: 1 capsule
Servings Per Container: 90

Amount Per Serving:

Vitamin B6 (83% as Pyridoxine Hydrochloride and 17% as Pyridoxal-5'-Phosphate)	30 mg
5-Methyltetrahydrofolate (from 740 µg [6S]-5-methyltetrahydrofolic acid, glucosamine salt)	400 µg
Vitamin B12 (as Methylcobalamin)	400 µg
Trimethylglycine	500 mg
L-Serine	100 mg
Other ingredients: Hydroxypropyl methylcellulose, magnesium stearate, microcrystalline cellulose, silicon dioxide.	

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Lipid-Sirt Capsules

Lipid-Sirt® supplies specific nutrients which have been shown to modify the production of cholesterol in the liver by reacting with hepatic enzymes, increase cholesterol excretion via the bile, inhibits cholesterol uptake from the intestine, and supports increased levels of HDL.

SKU #2935
(240 Capsules)

BENEFITS

Lowers bad cholesterol levels

Inhibits intestinal cholesterol uptake

Modifies cholesterol production in the liver

Potent antioxidant activity

Optimizes HDL levels

Increases cholesterol excretion

Dairy free

Gluten free

INDICATION

- Increase the beta oxidation of fatty acids
- Decrease hepatic cholesterol synthesis
- Inhibit HMG-Co reductase
- Anti-aging support
- Cardiovascular support
- Reducing intestinal cholesterol absorption
- Antioxidant properties
- Atherosclerosis
- Increase endothelial nitric oxide (NO) synthesis

SUGGESTED USE

Four (4) capsules two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 4 Capsules
Servings Per Container: 60

	Amount Per Serving	% Daily Value
Pantethine	450 mg	*
Plant Sterols (from soybean)	400 mg	*
Green Tea Extract (50% EGCG) (leaf)	300 mg	*
Delta-tocotrienol (from annatto seed)	37.5 mg	*
Phytolens® ** (Lens esculenta extract) (husk)	2.5 mg	*

*Daily Value not established

Other ingredients: Capsule shell (gelatin and water), cellulose, silica, magnesium stearate (vegetable source), and modified cellulose gum.

Contains ingredients derived from soybean.

** Phytolens® is a registered trademark of Biotics Research Corporation. U.S. Patent No. 5,762,936

This product is gluten and dairy free.

Lipoic Acid Plus

Product # 5199 (90C) | Alpha-Lipoic Acid (ALA)

Lipoic Acid Plus supplies alpha-lipoic acid (ALA), a potent antioxidant and a critical cofactor for many enzyme complexes, along with vitamin C. As a powerful biological antioxidant, lipoic acid's capability to quench free radicals is equivalent to that of coenzyme Q10 (CoQ10), and vitamins C and E. In the body it functions as both a coenzyme, and a necessary component for normal mitochondrial function. ALA is unique in that it has activity in both fat and water-soluble tissues. ALA has demonstrated advantageous effects in supporting the cardiovascular system, biological energy production and glucose regulation.*

Recommendation: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Vitamin C (as calcium and magnesium ascorbate)	50 mg	56%
Alpha Lipoic Acid	100 mg	*
* Daily Value not established		

Other ingredients: Cellulose, capsule shell (gelatin and water) and magnesium stearate (vegetable source).

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. Users must always verify usage, warnings, and age-related suitability & use updated information. Functional Medicine E-ventures private limited acts solely as a distributor and does not assume any responsibility for the accuracy, completeness and does not accept any liability for outcomes arising from the use, misuse, or interpretation of the information or products referenced herein.

Liposomal Glutathione Capsules

Levels of glutathione decrease as we age, glutathione is the body's most powerful antioxidant protecting us from environmental toxins and pollutants. While most glutathione supplements break down in the stomach and can't be absorbed in the body, with our proprietary liposomal encapsulation technology, you get maximum glutathione absorption allowing this key nutrient to work for you on a cellular level.

SKU #LG60
(60 Capsules)

BENEFITS

Antioxidant activity

May prevent cancer progression

May reduce cell damage in liver disease

May improve insulin sensitivity

Anti-ageing

Supports gastrointestinal health

Immune system support

Non-GMO

Dairy free

Gluten free

INDICATION

- Detoxification
- Anti-ageing
- Antioxidant support
- Mitochondria support
- Skin health
- Fatigue
- Cellular function enhancement

SUGGESTED USE

1 capsule a day with or without food.
Or as directed by your HCP.

LIPOSOMAL GLUTATHIONE SUPPLEMENT FACTS

Serving Size: 1 capsule
Servings Per Container: 60

Reduced L-Glutathione	250 mg †

* The % Daily Values are based on a 2000 calorie diet.
† Daily Value Not Established

Other Ingredients: Proprietary blend (Non-GMO Sunflower Oil and Sustainable Palm Oil), Vegetarian capsule (Cellulose)

No gluten, dairy, soy, or GMO-containing ingredients.

Livotrit Plus Tablets

Livotrit Plus is a distinctive and effective blend of herbal extracts that combines Ayurvedic principles with Western science. This formulation is designed to offer support for healthy liver metabolism and detoxification systems.

SKU #3044
(180 Tablets)

BENEFITS

Liver cleansing formula

Provides detoxification support

Antioxidant properties

Quenches free radicals

Gluten free

Dairy free

***Available for Retail in- clinic**

INDICATION

- Liver disease
- Detoxification
- Alcoholism
- Viral issues (hepatitis, mononucleosis, EBV, CMV)
- Cirrhosis
- Heavy metal body burdens

SUGGESTED USE

One (1) to two (2) tablets twice each day as dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Tablet

Servings Per Container: 180

	Amount Per Serving
Proprietary Blend	275 mg

Magnesium Citrate

Pure, Well-Absorbed Magnesium*

 Hypoallergenic

Item #70240

90 vegetarian capsules

Item #76660

180 vegetarian capsules

Magnesium in the citrate form. Magnesium is a cofactor for some 300 enzymes in the body, and acts in concert with calcium.*

Suggested Use

As a dietary supplement, 1 capsule one to three times daily between meals, or as directed by a healthcare practitioner. High doses of magnesium may have a laxative effect.

Contraindicated with use of aluminum-containing drugs.

Serving Size: 1 capsule

Servings Per Container: 90 (Item #70240), 180 (Item #76660)

Amount per serving:

Magnesium (as Magnesium Citrate). 170 mg

Other ingredients: Hydroxypropyl methylcellulose, magnesium stearate, silicon dioxide.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Mg-Zyme Capsules

Mg-Zyme serves as a source of additional magnesium, provided in the form of mixed mineral chelates. Ensuring sufficient magnesium intake is vital, given its essential role in numerous ATP-dependent reactions. Magnesium is crucial for musculoskeletal health, proper cardiac and immune function, as well as the maintenance of healthy blood sugar metabolism

SKU #1707
(100 Capsules)

BENEFITS

-  Provides inflammatory support
-  Optimizes neuronal activity
-  Supports cardiac excitability
-  Maintains vascular tone
-  Helps maintain blood pressure
-  Enhances peripheral blood flow
-  Supports muscular contraction
-  Boosts energy production
-  Provides mood support
-  Optimizes blood glucose levels
-  Supports cellular growth and reproduction
-  Gluten free
-  Dairy free
-  GMO free

*Available for Retail in- clinic

INDICATION

- Macromineral support
- Neuromusculoskeletal support
- Cardiovascular stress
- Kidney and gallstones
- Fibromyalgia
- Osteomalacia

SUGGESTED USE

One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Capsule

	Amount Per Serving	% Daily Value
Magnesium (as magnesium aspartate, magnesium glycinate and magnesium gluconate)	100 mg	24%

Other ingredients: Capsule shell (gelatin and water), organic vegetable culture†, magnesium stearate (vegetable source) and stearic acid (vegetable source).

† Specially grown, biologically active vegetable culture containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

This product is gluten, dairy and GMO free.

Modified Citrus Pectin

Reduced Molecular Weight

 Hypoallergenic

Item #72060

120 vegetarian capsules

Modified citrus pectin is different from other pectin because of the way it is prepared. It is modified by a proprietary process, which reduces the molecular weight of the pectin molecule. Average molecular weight: 30kD; pH: 6.0–7.2; Methoxylation: not more than 5%.

Suggested Use

As a dietary supplement, 3 capsules one or two times daily, or as directed by a health practitioner.

CAUTION: Those on a sodium-restricted diet should consult their healthcare practitioner before use.

Serving Size: 3 capsules	
Servings Per Container: 40	
Amount per serving:	
Calories	5
Sodium	90 mg
Total Carbohydrates	1.5 g
Dietary Fiber	1 g
Sugars	0.5 g
Modified Citrus Pectin	1.5 g
Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, L-leucine.	

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. NAC N-Acetyl-L-Cysteine Glutathione Precursor*

Hypoallergenic

Item #71370

120 tablets

NAC, the acetyl derivative of L-cysteine, is more stable than L-cysteine, and can convert into L-cysteine after being absorbed. NAC is a natural source of sulfur for metabolism, and an antioxidant that supports glutathione synthesis.* NAC may be used instead of L-cysteine as an adjunct to Item #70130, AntiOx Original (p. 22). Free form amino acid, high purity, well-tolerated, and in tablet form to insure potency.

Suggested Use

As a dietary supplement, 1 tablet one to three times daily, or as directed by a healthcare practitioner.

Serving Size: 1 tablet
Servings Per Container: 120

Amount Per Serving:

N-Acetyl-L-Cysteine 500 mg
Other ingredients: Dicalcium phosphate, microcrystalline cellulose, magnesium stearate, silicon dioxide, stearic acid, croscarmellose sodium.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. NAC Capsules

N-acetyl-L-cysteine, provides a stable and highly absorbable form of L-cysteine. Renowned for its superior absorption, NAC serves as a potent antioxidant, safeguarding cells from oxidative stress.

SKU #5205
(180 Capsules)

BENEFITS

Prevents oxidative stress

Provides immunological support

Delivers potent antioxidant activity

Supports the central nervous system

Aids in detoxification

Offers anti-inflammatory effects

Inhibits abnormal blood vessel formation (anti-angiogenic)

Helps prevent cellular dysfunction

Modulates metabolism

Gluten free

Dairy free

GMO free

INDICATION

- Antioxidant
- Immune support
- Heavy metal chelation
- Chemical detoxification
- Oxidative stress
- Influenza
- Mucus viscosity
- Free radical pathology
- Bronchial congestion
- Glutathione insufficiency in immune and hepatic dysfunction
- Protection against the adverse effects of chemopreventive and chemotherapeutic agents

SUGGESTED USE

One (1) capsule two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

***Available for Retail in- clinic**

Niacin 100™

Product # 1136 (150C) | Cardiovascular Health

Niacin, also referred to as vitamin B3 or nicotinic acid, is recognized as a cardio-protective agent.⁺ In the body, its primary function is as a component of the coenzymes NAD⁺ and NADP⁺, both of which function in the redox state of the cell. It also is involved in the body's natural inflammatory pathway.⁺

Recommendation: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Do not take this product if you are allergic to niacin or if you have severe liver disease, gallbladder disease, a peptic ulcer, or gout. Do not take this product if you are pregnant or lactating.

Supplement Facts		
Serving Size: 1 Capsule		
	Amount Per Serving	% Daily Value
Niacin	100 mg	625%

Other ingredients: Capsule shell (gelatin and water), cellulose and magnesium stearate (vegetable source).

Each capsule contains 100 milligrams of niacin. Niacin should be considered with increased total cholesterol/LDL cholesterol, Type I (Juvenile) Diabetes, cellular resistance to T-3 (also use Nucleozyme Forte) and during detoxification protocols. Begin with a low dose and increase to a maximum of 10 tablets (1000 milligrams a day) as the flushing effect diminishes. Taking the product with apple sauce will, for most patients, significantly diminish the flushing effect.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. Users must always verify usage, warnings, and age-related suitability & use updated information. Functional Medicine E-ventures private limited acts solely as a distributor and does not assume any responsibility for the accuracy, completeness and does not accept any liability for outcomes arising from the use, misuse, or interpretation of the information or products referenced herein.

Niacin

Vitamin B3

 Hypoallergenic

Item #70360

90 vegetarian capsules

Also known as nicotinic acid, niacin is an essential nutrient, positioned at the core of NAD/NADH and NADP/NADPH, which are major redox-active “electron storage” compounds. One or both of these “redox pairs” is involved in every major biochemical pathway.

Suggested Use

As a dietary supplement, 1 capsule two or three times daily with meals, or as directed by a healthcare practitioner.

WARNING: Niacin can cause skin flushing and tingling (the “niacin flush”). DO NOT TAKE LARGE AMOUNTS OF NIACIN (GREATER THAN 1.5 GRAMS PER DAY) WITHOUT FIRST CONSULTING A HEALTHCARE PRACTITIONER.

Serving Size: 1 capsule	
Servings Per Container: 90	
Amount per serving:	
Niacin	250 mg
Other ingredients: Hydroxypropyl methylcellulose, L-leucine.	

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. NO Inducers*

Nitric Oxide Support*

NO Inducers* provides a synergistic blend of nutrients, formulated to promote endogenous nitric oxide (NO) production.* Produced in the blood vessels, nerves, and immune cells, endogenous NO plays many roles in the body, such as supporting normal, healthy blood pressure, mediating penile erections, supporting normal, healthy blood flow to the brain and other tissues, enhancing muscle oxygen use during exercise, and supporting immune health.*

NO can be produced via reduction of dietary nitrate and nitrite to NO, or conversion of arginine, a conditionally essential amino acid, to NO using the enzyme nitric oxide synthase (NOS). Various other amino acids, enzymes, and antioxidants assist in the production or retention of NO within the body.* Unfortunately, endogenous NO production declines with age, and can be inhibited by various diet and lifestyle factors, nutrient or antioxidant deficiencies, and medications.

Phosphatidylcholine Capsules

Phosphatidylcholine serves as a valuable supplementary source of this crucial phospholipid. Found abundantly in cell membranes, phosphatidylcholine plays a pivotal role in maintaining normal cellular membrane function and supporting the process of cellular repair.

SKU #1410
(100 capsule)

BENEFITS

Supports detoxification

Promotes liver support

Optimizes cellular functioning

Supports healthy brain function

Enhances memory

Aids muscle control

Gluten free

Dairy free

INDICATION

- Detoxification support
- Neurological support
- Alzheimer's, parkinson's, aging and senility
- Synaptic dysfunction
- Neuromuscular disorders
- Elevated blood fats
- Gallbladder issues (gall stones)
- Migraine headaches
- Fatty liver
- Decreased libido
- Impaired fat metabolism (elevated blood fats including cholesterol)
- Age-related cognitive and memory decline
- Impaired blood flow and circulation
- Intestinal inflammation
- Gland/organ dysfunction (liver, kidney, pancreas, heart)
- Excessive alcohol consumption

SUGGESTED USE

One (1) softgel capsule one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

***Available for Retail in- clinic**

Tocomin SupraBio® Tocotrienols 200 mg

Pure Palm Tocotrienols with Enhanced Absorption*

 Hypoallergenic

Item #76750

60 softgels

Item #76751

120 softgels

Tocomin SupraBio® (also known as ExcelVite EVNol SupraBio™) is a pure palm mixed tocotrienol complex, with a natural ratio of alpha, beta, gamma, and delta-tocotrienols. It is extracted and concentrated from fresh, virgin red palm oil. A patented self-emulsifying composition enhances absorption compared to regular tocotrienol extracts.*

Produced using a patented, integrated process of extraction and molecular distillation (low temperature and extremely high vacuum), in a GMP-certified, ISO-certified, and FDA-inspected facility. 100% non-GMO, non-soy, Kosher certified, and Halal certified. No organic solvents are used in the extraction or processing of the tocotrienols. Sourced from Malaysia, with active involvement in the Roundtable of Sustainable Palm Oil (RSPO).

Suggested Use

As a dietary supplement, 1 softgel two times daily, or as directed by a healthcare practitioner.

Serving Size: 1 softgel

Whey Protein Isolate

Product # 6420 (16 oz) # 6422 Chocolate (16 oz) # 6421 Vanilla (16 oz) | Undenatured Whey Protein

Whey Protein Isolate provides an excellent source of protein, as it is considered by many practitioners to be the premier dietary source for protein. It provides the body with the necessary building blocks that are used to build or maintain muscle tissue.*

Whey Protein Isolate from Biotics Research is produced using a micro-chilled process, thus the protein is undenatured, and retains significant amounts of important immune factors including Immunoglobulin (IgG) and Lactoferrin. Additionally, **Whey Protein Isolate** is devoid of added sugar or artificial flavorings, and each serving supplies 20 grams of naturally complete protein, making it ideal for low-carbohydrate or metabolically balanced diets. This product is available in chocolate and vanilla flavors, as well as an unsweetened/unflavored version.

Directions: Two (2) level scoops of **Whey Protein Isolate** mixed with eight (8) ounces of cool water (or the beverage of your choice). Add product to the liquid for ease of mixing.

Caution: Not recommended for those allergic to dairy.

Each serving provides the following (stated amounts are typical and representative):

Beta-Lactoglobulin	14,252 mg
Glycomacropeptide (GMP)	962 mg
Bovine Serum Albumin	206 mg
Alpha-Lactalbumin	3,362 mg
Immunoglobulin (IgG)	861 mg
Lactoferrin (LF)	42 mg

Typical Amino Acid Profile Per Serving:

Alanine	900 mg	Lysine	1,877 mg
Arginine	381 mg	Methionine	400 mg
Aspartic acid	2,176 mg	Phenylalanine	623 mg
Cystine	453 mg	Proline	1,287 mg
Glutamic acid	3,476 mg	Serine	895 mg
Glycine	326 mg	Threonine	1,412 mg
Histidine	339 mg	Tryptophan	328 mg
Isoleucine [†]	1,357 mg	Tyrosine	630 mg
Leucine [†]	2,077 mg	Valine [†]	1,203 mg
