

A photograph showing a variety of fresh fruits (oranges, apples, pears, tomatoes) in the background, and several blister packs of pills and capsules in the foreground, some spilling out of a white container.

FUNCTIONAL MEDICINE INTERNATIONAL

Practitioner's Preferred Supplements

PULMONOLOGY

Buy supplements only from

www.fmihealth.com

Welcome to Functional Medicine International (FMI), we are functional medicine practitioners who curate these selections of top-tier nutritional supplements offered on our site, we strive to empower people to lead healthier, more active lives through the power of natural healing. Our commitment is to offer premium products, expert guidance, and a welcoming atmosphere to support the success of our practitioners and their clients.

Our mission is becoming your most reliable nutraceutical partner by consistently delivering exceptional quality, safety in all our products and to provide professional services to healthcare providers and your clients.

Join our community of healthcare professionals by registering on FMI. Gain access to our extensive range of products, exclusive webinars, and professional support. Our platform is reserved for verified practitioners and healthcare professionals, as well as their referred clients. Experience the excellence of Functional Medicine International and enhance your practice today.

One-Time Registration

- Website (www.fmihealth.com)
- Practitioner Login > Create Account > Enter Details
- Create Password > Upload File
- Press Submit, *YOU'RE REGISTERED!*
- Check your inbox for an email from info@fmihealth.com containing your exclusive *'invite code'* (*display invite code in clinic for easy recall*)
- Share *'invite code'* with ALL patients when prescribing supplements from FMI Health. (Patient CAN NOT purchase without registering with your invite code)
- To Buy/Browse: ALWAYS Log in as a practitioner, this step ensures Your Purchases will automatically be discounted, and it opens access to 'Resources' tab.

Acti-Mag Plus

Powdered Magnesium Formula

Acti-Mag Plus™ is a magnesium formulation specifically designed to support the body's natural relaxation response and optimize energy levels. A serving of Acti-Mag Plus provides 400 mg of easily absorbed magnesium combined with key nutrients such as taurine, beetroot juice, B-vitamins and bamboo extract (a rich source of organic silica).

SKU #1748
(202 g)

BENEFITS

Optimizes stress response

Pleasant berry flavour

Provides digestion support

Absorbable magnesium form

Supports bone health

Enhances energy levels

Optimize blood sugar level

Supports cardiovascular health

INDICATION

- Magnesium deficiency
- Cardiovascular health
- Acid-alkaline balance
- Metabolism of carbohydrates, fats & amino acids
- Mineral support
- Neuromuscular support
- Bone mineralisation
- Reflux support
- Female hormone support
- Memory & brain support
- Hormonal support

SUGGESTED USE

One (1) scoop mixed with six (6) ounces of water, or beverage of your choice, each day as a dietary supplement or as otherwise directed by a healthcare professional.

*Daily Value not established

Other ingredients: Citric acid, natural flavors and organic Stevia rebaudiana leaf extract.

This product is gluten and dairy free.

ADB5-Plus™

Product # 3040 (90T) # 3041 (180T) | Adrenal Support with Glandulars

ADB5-Plus™ is a specific blend of vitamins, minerals, amino acids and other important nutritional synergists to support healthy adrenal function.* This product includes glandulars in the form of adrenal gland concentrate (porcine), lamb pituitary/hypothalamus complex (ovine), and parotid tissue (bovine). These glandular components serve to provide raw materials and vital chemical messengers which aid in the functional support of the adrenals.

Supplement Facts

Other ingredients: Stearic acid (vegetable source), cellulose, modified cellulose gum, silica and food glaze.

Recommendation: Two (2) tablets each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant or lactating women.

WARNING: Accidental overdose of iron-containing products is a leading cause of poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Designed by Harry O. Eidenier Jr. in conjunction with Bill Sparks at Biotics Research Corporation. Two tablets contain 75 mg of vitamin C, 5 mg of B-1, B-6 and B-2 (phosphorylated forms), 25 mg of niacinamide, 200 mcg of folate, 6 mcg of vitamin B-12, 75 mg of pantothenic acid, 500 mcg of iron, 35 mg of magnesium malate, 2.5 mg of zinc, 1 mg of manganese and a 635 mg proprietary blend of malic acid, porcine adrenal concentrate, citrus bioflavonoids, choline, SOD and catalase, N-acetylcysteine, ovine pituitary/hypothalamus, bovine parotid, tyrosine (mushroom source), Rhodiola rosea and copper (less than 2 percent of the blend). Use with adrenal dysfunction (primarily hypofunction), postural hypotension, ligament laxity, reactive hypoglycemia and low blood pressure. 2 tablets in the a.m. and 2 at noon. Product contains a small amount of iron and should be kept out of the reach of children.

| Proprietary Blend | 513 mg | | Rubidium (from vegetable culture ¹) |

* Daily Value not established

Other Ingredients: Stearic acid (vegetable source), silica, modified cellulose gum, food glaze, and magnesium stearate (vegetable source).

¹ Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing **Phytochemically-Bound Trace Elements™** and other phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Recommendation: Two (2) tablets one (1) to two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant or lactating women.

Designed by Dr. Gary Lasneski. Product contains vitamins, minerals, and herbs (product contains no glandular material), known to support normal adrenal function. Preliminary studies using the salivary adrenal stress test (ASI) indicate that A.D.H.S. is often effective as a supplement to increase DHEA while helping to normalize an increased or decreased cortisol level. Consider A.D.H.S. with adrenal cortical hyperfunction (increased cortisol), hypertension due to adrenal hyperfunction, dysinsulinism (Syndrome-X/Metabolic Syndrome), and other cases where cortical hyperfunction is known or suspected. Suggest 2–3 tablets, twice a day with breakfast and lunch. Pregnant or lactating women should not use this product.

A.D.P. Tablets

Sustained Release Emulsified Oil of Oregano

A.D.P. tablets are an emulsified with a sustained release mechanism, assuring a gradual release throughout the digestive tract. This combined effect of emulsification and sustained release optimizes intestinal exposure to the essential oil. Proven effective against yeast and parasites, oil of oregano is a powerful plant extract with a strong history in supporting gastrointestinal health.

SKU #1101
(60 Tablets)
SKU #1104
(120 Tablets)

BENEFITS

-  Patented formulation (patent #5,955,086)
-  Protects against yeast & parasites
-  Supports gastrointestinal health
-  Effective against gram positive & gram-negative bacteria
-  Protects cells from oxidative stress
-  Maintains healthy inflammatory pathways
-  Contains antioxidant properties
-  Scavenges free radicals

INDICATION

- Anti-microbial support (gut dysbiosis, toxic bowel syndrome, candida, intestinal parasites, yeast, fungus, and upper respiratory bacterial or viral infections)
- Immune support

SUGGESTED USE

One (1) tablet with meals and at bedtime as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | |
|---|--------------------|
| Serving Size: 1 Tablet | |
| | Amount Per Serving |
| Oregano Oil (<i>Origanum vulgare</i>) (extract from leaf) | 50 mg* |
| * Daily Value not established | |

Other ingredients: Cellulose, modified cellulose gum, potassium sorbate, silica, water and gum arabic.

A.D.P.® supplies oregano oil which is emulsified and processed in a sustained release form for optimal effectiveness. This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Patent #5,955,086

This product is gluten, dairy and GMO free

Aller-Aid™ L-92® New Product

with *L. acidophilus* L-92®

Item #76910

60 vegetarian capsules

Contains *Lactobacillus acidophilus* L-92®, a sterilized immunobiotic dry cell powder which helps balance Th1/Th2 and other immune cytokines.* Enhanced with boswellia, luteolin, and non-GMO vitamin C.*

Suggested Use

As a dietary supplement, 1 capsule two times daily, or as directed by a healthcare professional.

Serving Size: 1 capsule

Servings Per Container: 60

Amount per serving:

| | |
|--|--------|
| Vitamin C (as Ascorbic Acid) | 250 mg |
| Indian Frankincense Gum (<i>Boswellia serrata</i>) Extract (Standardized to 65% Boswellic Acid) | 265 mg |
| Luteolin. | 100 mg |
| <i>Lactobacillus acidophilus</i> L-92® | 11 mg |
| Other ingredients: Hydroxypropyl methylcellulose, L-leucine. | |

L-92® is a trademark of Asahi Calpis Wellness Co., Ltd., Tokyo, Japan.

Boswellia, also called Frankincense, has been used in Africa and India for hundreds of years. Studies show the active boswellic acids have multiple activities in the immune system, and in particular can help balance Th1/Th2, especially when Th2 is overactive and Th1 activity is dampened.* Other active components in Boswellia include limonene and lauric acid.

Ingredient found in Aller-Aid™ L-92®

BodyBio Balance Oil

Item#: **BO16** (16 oz. liquid)

Item#: **BO60** (60 softgels)

Item#: **BO180** (180 softgels)

BodyBio Balance Oil is the perfect blend of the essential fatty acids, omega-6, and omega-3 to give the brain a boost, improve digestive health, support immunity, liver function, and cardiovascular activity.*

In general, we consume too much omega-6 in our diets, and not enough omega-3, but, the truth is, we need both linoleic acid and linolenic acid for optimal health and for the development of our body's inflammatory response. Creating a balanced ratio, and ensuring the oils remain in their pure state is key.

Why BodyBio Balance Oil?

Most oils are heated and processed, rendering them toxic and inflammatory. We use low temperature, expeller-pressed technology to protect the delicate alpha-linolenic acid (organic flaxseed) and linoleic acid (organic, unrefined safflower). This process guarantees the highest quality nutrients can be easily absorbed in the body. These essential nutrients play critical roles in multiple biological processes, including regulating the structure and function of cell membranes, intracellular signaling, and gene expression.*

Betaine Plus HP™

Product # 1266 (90C) | Digestive Support

Betaine Plus HP™ is a high potency hydrochloric acid (HCl) supplement, which also provides pepsin to support digestive function.+ This product is ideal in instances where additional HCl may be warranted.

Recommendation: One (1) capsule with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--------------------------------|---------------------------|----------------------|
| Serving Size: 1 Capsule | | |
| | Amount Per Serving | % Daily Value |
| Betaine Hydrochloride | 700 mg | * |
| Pepsin (1:10,000) | 10 mg | * |

Other ingredients: Capsule shell (gelatin and water) and medium chain triglycerides.

Source of high-potency hydrochloric acid and pepsin in a capsule form (700 mg of HCl and 10 mg of pepsin per capsule). Product was designed for patients who need an increased amount of HCl (chronic hypochlorhydria, achlorhydria). 1-2 capsules in the middle of each meal (increase to stomach tolerance).

| | Amount Per Serving | % Daily Value | |
| Vitamin A (as acetate and natural mixed carotenoids) (IU ratio 3:1) | 2,070 mcg RAE | 230% | Neonatal Thymus (bovine) |
| Vitamin C (as calcium and magnesium ascorbates) | 200 mg | 222% | Neonatal Spleen (bovine) |
| Vitamin E (as d-alpha tocopheryl acetate) | 20 mg | 133% | Neonatal Liver (bovine) |
| Thiamin (B1) (as cocarboxylase chloride) | 10 mg | 833% | Neonatal Pancreas (bovine) |
| Riboflavin (B2) (as riboflavin-5-phosphate) | 15 mg | 1,154% | Parotid (bovine) |
| Niacin (as niacinamide) | 20 mg | 125% | Placenta (bovine) |
| Vitamin B6 (as pyridoxal-5-phosphate) | 15 mg | 882% | Trypsin & Alpha Chymotrypsin (porcine) |
| Pantothenic Acid (as calcium pantothenate) | 25 mg | 500% | L-Lysine HCl |
| Zinc (as zinc gluconate and zinc citrate) | 30 mg | 273% | Coenzyme Q10 (naturally derived, emulsified) |
| Selenium (from vegetable culture ¹ and selenomethionine) | 50 mcg | 91% | Citrus Bioflavonoids (from citrus fruit) |
| Copper (as copper gluconate) | 1 mg | 111% | Superoxide Dismutase (from vegetable culture ¹) |
| Manganese (as manganese gluconate) | 2 mg | 87% | Catalase (from vegetable culture ¹) |
| Adrenal Complex Concentrate ^{††} | 20 mg | - | Proprietary Blend |
| | | | Echinacea angustifolia (root) [*] , Neonatal Lymph Tissue (bovine) [*] , Cayenne Pepper (Capsicum annuum) (fruit) [*] , Chlorophyllins [*] , Organik-15™ ^{††} , Lactobacillus acidophilus [*] |

* Daily Value not established

Other ingredients: Capsule shell (gelatin and water), food glaze, and stearic acid (vegetable source).

¹ Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing **Phytochemically-Bound Trace Elements™**, methyl compounds and/or naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

^{††} A unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates. Contains an ultra-trace amount (<0.001 ppm) of milk constituents which are used in the fermentation of probiotic ingredients.

Bio-Immunozyyme Forte™ is a unique, broad-spectrum multiple designed to specifically support normal, healthy immune function.⁺ It provides a wide array of vitamin, mineral, botanical, amino acid and organ/glandular specific support.

Recommendation: Two (2) capsules each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant or lactating women.

A broad-spectrum product containing vitamins, minerals, enzymes, as well as neonatal and adult bovine glandular and organ components known to support immune function. Product is in a base of SOD, catalase, echinacea, methyl-donors, and chlorophyll. In the acute phase, use 2–3 tablets, 3–4 times a day with food. In the chronic phase, use 1 tablet, 3 times a day with meals. Without question, this is the premier broad-spectrum immune support product available to the healing arts. For Hepatitis A, B, or C, use with Cytozyme-THY, Livotrit-Plus, Bio-Protect, Dismuzyyme Plus Granules, IAG, Beta-TCP, Bio-C Plus 1000, E-200 High Gamma, Ultra Vir-X, and Cytozyme-LV. An eight-page paper on identification, diet, and supplemental support for Hepatitis A, B, and C can be obtained from your local Biotics Research representative.

BioDoph-7 Plus®

Product # 1285 (60C) | Comprehensive Probiotic & Prebiotic Support

Probiotic supplements are classically known to contain viable, defined microorganisms in sufficient quantities which work to alter the microbiota and, thus, exert beneficial health effects.⁺ **BioDoph-7 Plus®** supplies a specific blend of 3 prebiotics and 7 probiotics extensively tested to ensure optimal colonization with bacterial strains recognized for their bioactivity. It contains 20 billion viable organisms per capsule, providing optimal probiotic coverage.

Recommendation: One (1) capsule one (1) to two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Capsule

| | Amount Per Serving |
|---|--------------------|
| Proprietary Blend | 400 mg |
| Inulin (from Chicory root)*, Arabinogalactans (from Larch)*, Marshmallow (Althea officinalis) (extract) (root)*, <i>Bifidobacterium bifidum</i> BB-06*, <i>Bifidobacterium lactis</i> BL-04*, <i>Bifidobacterium breve</i> BB-03*, <i>Lactobacillus paracasei</i> LPC-37*, <i>Lactobacillus plantarum</i> LP-115*, <i>Lactobacillus salivarius</i> LS-33*, <i>Streptococcus thermophilus</i> ST-21* | |

* Daily Value not established

Other ingredients: Vegetarian capsule shell (modified cellulose) and magnesium stearate (vegetable source).

Each capsule of **BioDoph-7 Plus®** contains more than 20 billion organisms at time of manufacture.

Contains an ultra-trace amount (0.3 ppm) of milk constituents which are used in the fermentation of probiotic ingredients.

Designed by Dr. Gary Lasneski. Each 400 mg vegetarian capsule contains a proprietary blend of seven different prebiotics and probiotics with each capsule containing 20 billion viable organisms at the time of manufacture. The prebiotics include Inulin from Chicory root, Larch Arabinogalactan (IAG), Marshmallow Root, and the probiotics include *Bifidobacterium bifidum*, *Bifidobacterium lactis*, *Bifidobacterium breve*, *Lactobacillus paracasei*, *Lactobacillus plantarum*, *Lactobacillus salivarius* and *Streptococcus thermophilus*. BioDoph-7 Plus should be considered with decreased gut immunity, to stimulate phagocytosis, to help relieve gastric inflammation, with diarrhea and as follow-on treatment (after ADP) with yeast, bacterial and parasitic problems. 2-3 capsules daily. Note: With decreased gut immunity (reduced secretory IgA) use BioDoph-7 Plus with IAG, Cytozyme-THY and Immuno-gG. BioDoph-7 Plus is the premiere probiotic product produced by Biotics Research Corporation. Although not required, shelf life on this product will be extended if refrigerated when not in use.

Biomega-1000™

Product # 1417 (90S) | Superior Quality Omega-3s

Biomega-1000™ provides a potent dose of omega-3 essential fatty acids (EFAs), sourced from a strategically-placed facility in the far South Pacific Ocean off the coast of Chile, guaranteeing the freshest raw material available, full traceability of the product, and unparalleled purity. Each softgel capsule delivers an impressive 1,000 mg of EPA and DHA, making it an ideal choice when higher doses are desired.

Recommendation: One (1) softgel capsule with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

Each soft-gel capsule contains 1000 mg of omega-3 essential fatty acid in the triglyceride form (sourced from Anchovy). Studies have shown the triglyceride form was hydrolyzed by lipase 12 to 15 times faster than the ethyl ester or monoglyceride form. It is sourced from a strategically placed facility in the far South Pacific Ocean off the coast of Chile, minimizing transit time. Some fish oils are processed continents away from where they are harvested, dramatically increasing the time (some up to one year) from the ocean to the patient/client (longer transit time means higher risk of oxidation). Unique and gentle patented processes are used to purify the oil from contaminants, yielding a colorless level with record-setting low TOTOX levels. Each batch of Biomega 1000 oil has a certified origin; it can be traced back to who caught the Anchovies and when they were caught. The triglyceride form of omega-3 oil has been found to be helpful with neurological, emotional, cardiovascular, immune system and cell membrane health. It is also excellent support for inflammatory and glucose management problems. 1-3 bid.

Bromelain Plus CLA™

Product # 1253 (100T) | Inflammatory Pathway Support

Bromelain Plus CLA™ supplies bromelain, along with the enzymes cellulase, lipase, and amylase. It also includes the proteolytic enzyme ficin. **Bromelain Plus CLA™** is effective as a digestive enzyme, and may be beneficial for supporting a healthy inflammatory response.*

Recommendation: One (1) tablet three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--|--------------------|---------------|
| Serving Size: 1 Tablet | | |
| | Amount Per Serving | % Daily Value |
| Bromelain (2,500 MCU/g) (from pineapple) | 100 mg | * |
| Papain (from papaya) | 10 mg | * |
| Inositol | 10 mg | * |
| Cellulase (fungal) | 10 mg | * |
| Lipase (fungal) | 10 mg | * |
| Amylase (fungal) | 10 mg | * |
| Ficin | 10 mg | * |
| Cysteine (as L-Cysteine hydrochloride) | 5 mg | * |
| * Daily Value not established | | |

Other ingredients: Vegetable culture†, cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source) and food glaze.

† Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of lactose free bromelain. Product is the same as Bromelain Plus except Bromelain Plus CLA also contains cellulase, lipase, ficin and amylase. Use with symptoms of intestinal parasites, mucous, pancreatic (original: pan-creatic) dysfunction, tissue trauma or inflammation (vegetarian alternative to Intenzyme Forte). 3 tablets, 3 times a day on an empty stomach; if the problem is acute, increase to 5 tablets, 3 times a day on an empty stomach.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. Butyric-Cal-Mag

Butyric-Cal-Mag is a supplement that provides Tributyrin, a compound known for generating butyrate. When broken down by gut enzymes, it supplies postbiotic butyrate, which serves as the main fuel for colonic cells. Butyric acid, a naturally-occurring 4-carbon fatty acid, is produced in the healthy colon through the fermentation of dietary fiber by beneficial bacteria.

SKU #7810
60 Capsules

BENEFITS

Gluten free

Dairy free

INDICATION

- Colon Cancer
- Crohn's, diverticulitis, colitis
- Bowel health
- Decreased Butyric Acid level associated with ADHD & Autism
- Butyric acid deficiency indicated by CSDA testing
- Chronic Fatigue Syndrome

Note: Use with Probiotics

SUGGESTED USE

Two (2) capsules as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 30

| | Amount Per Serving | % Daily Value |
|--|--------------------|---------------|
| Vitamin A (as natural mixed carotenoids and acetate) | 975 mcg RAE | 108% |
| Pantothenic Acid (as calcium pantothenate) | 16.7 mg | 334% |
| Calcium (as calcium citrate) | 40 mg | 3% |
| Magnesium (as magnesium citrate) | 40 mg | 10% |
| ButyraGen™ Tributyrin Complex | 1,000 mg | * |

*Daily Value not established

Other ingredients: Capsule shell (gelatin and water), gum arabic, guar fiber, rosemary extract, silica and cellulose.

This product is gluten and dairy free.

ButyraGen™ is a trademark of NutriScience Innovations LLC.

RECOMMENDATION: Two (2) capsules as a dietary supplement or as otherwise directed by a healthcare professional.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area. Sealed with an imprinted safety seal for your protection.

Product # 7810 Rev. 01/23

Cytozyme-AD™

Product # 3001 (60T) # 3028 (180T) | Raw Neonatal Adrenal

Cytozyme-AD™ contains a unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates to help support adrenal health and function. It is designed to target the health of the hypothalamic pituitary adrenal (HPA axis), the body's central stress response system. In addition, **Cytozyme-AD™** contains superoxide dismutase (SOD) and catalase, both derived from vegetable cultures, to provide antioxidant support.

Recommendation: One (1) tablet one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | |
|---|--------------------|
| Serving Size: 1 Tablet | |
| | Amount Per Serving |
| Cytozyme Adrenal Complex Concentrate† | 80 mg* |
| Superoxide Dismutase (from vegetable culture††) | 20 mcg* |
| Catalase (from vegetable culture††) | 20 mcg* |
| * Daily Value not established | |

Other ingredients: Cellulose, stearic acid (vegetable source) and food glaze.

† A unique proprietary complex of neonatal bovine tissue and porcine tissue concentrates.

†† Specially grown, biologically active vegetable culture (from organic peas, lentils and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of neonatal bovine adrenal. Use with chronic fatigue, hypoglycemia, craving for salt, lowered resistance from long-term illness, flu, colds, hypotension (use with Bio-Glycozyme Forte and Bio-D Emulsion Forte), asthma, inflammation, allergy/sensitivity to foods or environmental toxins, lack of ligament strength (patient is unable to hold a manipulative treatment), ridges in the fingernails, and patients who are unable to work under pressure or become enraged easily. 1-4 tablets, 3 times a day with meals. With severe hypotension, add Bio-3B-G at 2 tablets per waking hour for 10 days, then 9 tablets daily. If the need for Cytozyme-AD exceeds 9 tablets per day, consider using ADB-5 Plus in lieu of Cytozyme-AD.

Cytozyme-THY™

Product # 3011 (60T) # 3043 (180T) | Raw Neonatal Thymus

Cytozyme-THY™ supplies organ-specific support as neonatal thymus concentrate (bovine), combined with SOD and catalase, important antioxidant enzymes. The thymus is an essential organ and key in immune system development.[†] It synchronizes the immune system and acts as the primary donor of cells to the lymphatic system leading to maturation of T cells.[†] The highest level of thymic activity is during the neonatal and pre-adolescent periods.

Recommendation: One (1) tablet one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Supplement Facts

Serving Size: 1 Tablet

| | Amount Per Serving |
|---|--------------------|
| Neonatal Thymus Concentrate (bovine) | 125 mg* |
| Superoxide Dismutase (from vegetable culture [†]) | 20 mcg* |
| Catalase (from vegetable culture [†]) | 20 mcg* |

* Daily Value not established

Other ingredients: Cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source), food glaze and silica.[†]

[†] Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of neonatal bovine thymus. Use with viral or bacterial infections, immune insufficiency, decreased gamma globulin, sensitivity to milk products, croup, inflammation, thyroid hyperfunction, healing, lymphedema, decreased secretory IgA, and myasthenia gravis. With decreased secretory IgA (reduced gut immunity), use with IAG, BioDoph-7 Plus, and Immuno-GG. 1–2 tablets, 3 times a day with meals. Increase to 6 tablets, 4 times a day during the acute phase of any infection and with Hepatitis A, B, or C.

Saccharomyces boulardii

Friendly Probiotic Yeast* **Best Seller**

Item #71050

60 vegetarian capsules

Item #77230

120 vegetarian capsules

A probiotic, non-colonizing yeast species closely related to brewer's yeast and not related to the yeast group to which candida belongs. *Saccharomyces boulardii* taken orally supports the production of secretory

IgA, and helps friendly probiotic bacteria to colonize the GI tract.* It is a transitory microorganism and is eliminated after supplementation is stopped.*

Both extensive studies and clinical use suggest *Saccharomyces boulardii* can help displace unfriendly yeast species in the GI tract.* During its use, friendly probiotic bacteria are able to colonize in the GI tract, supporting a healthy micro-ecology.* *S. boulardii* has been used in Europe after antibiotic use to support normal gastrointestinal tract function.*

Suggested Use

As a dietary supplement, 1 to 3 capsules three times daily, preferably on an empty stomach, or as directed by a healthcare practitioner.

Serving Size: 3 capsules

Servings Per Container: 20 (Item #71050), 40 (Item #77230)

Amount per serving:

Saccharomyces boulardii 9 Billion CFUs

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, stearic acid, silicon dioxide.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. GSH-Plus™

Product # 5203 (60C) | Supplemental Glutathione

GSH-Plus™ provides L-glutathione, fortified with N-acetyl-L-cysteine and glycine. Glutathione (GSH) functions as one of the most powerful intracellular antioxidants and is an important component in detoxification.⁺ It has been implicated in the regulation of enzyme activities, in DNA synthesis, in maintaining the viability of chloroplasts and mitochondria, in the protection of nitrogenase from inhibition by oxygen, and in the regulation of gene expression.⁺ Glutathione levels decrease naturally with age, as well as with certain stressors, including exercise, smoking, and pollution.

Recommendation: One (1) capsule one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--------------------------------------|---------------------------|----------------------|
| Serving Size: 1 Capsule | | |
| | Amount Per Serving | % Daily Value |
| L-Glutathione (reduced) | 150 mg | * |
| N-Acetyl-L-Cysteine | 50 mg | * |
| Glycine | 50 mg | * |
| * Daily Value not established | | |

Other ingredients: Cellulose and capsule shell (gelatin and water).

HistoPlex-AB™

Product # 6342 (90C) | Immune Support

HistoPlex-AB™ supplies a proprietary blend of herbal extracts shown to possess immunomodulating properties.+ Specific botanical compounds are recognized as effective agents in assisting the body's immune system in coping with the occasional onset on allergy symptoms.+ Select herbs provide specific actions to support the respiratory system, and in turn may function to modulate the immune system.+

Recommendation: Two (2) capsules two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant or lactating women, children under 12 years of age, those with an autoimmune disease or having a significantly compromised immune system, or those with an acute infection.

| Supplement Facts | |
|--|--------------------|

Humic-Monolaurin Complex

with Olive Leaf and Russian Choice Immune®

 Hypoallergenic

Item #76720

120 vegetarian capsules

Humic-Monolaurin Complex combines a specially extracted and purified humic acid with monolaurin, olive leaf extract, and

Lactobacillus rhamnosus cell wall fragments (Russian Choice Immune®).

Suggested Use

As a dietary supplement, 2 capsules two or three times daily, or as directed by a healthcare practitioner. Pregnant or nursing women, or children under the age of 4, should use only under the guidance of a healthcare practitioner.

Serving Size: 2 capsules

Servings Per Container: 60

Amount per serving:

Monolaurin 500 mg

Olive Leaf Extract (min 15% Oleuropein). 350 mg

Humic Acid. 250 mg

Lactobacillus rhamnosus Lysate Powder 25 mg

Other ingredients: Hydroxypropyl methylcellulose, microcrystalline cellulose, L-leucine, silicon dioxide.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does not constitute medical or marketing advice. Users must always verify usage, warnings, and age-related suitability & use updated information. Hydro-Zyme™

Product # 1262 (90T) # 1263 (250T) | HCl/Digestive Support

Hydro-Zyme™ provides digestive support via supplemental betaine hydrochloride, pepsin, and pancreatin, along with other known synergists. Gastric juice contains hydrochloric acid and pepsinogens, precursors of the family of proteolytic enzymes called pepsins. Betaine hydrochloride represents a dietary source of hydrochloric acid, a strong mineral acid which functions to maintain healthy gastric pH. Pancreatin is derived from porcine pancreas, highly enriched in pancreatic enzymes, in a ratio akin to human pancreas. **Hydro-Zyme™** may be considered when the need for supplemental hydrochloric acid and/or pancreatin are indicated.

Recommendation: One (1) tablet with each meal as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--|---------------------------|----------------------|
| Serving Size: 1 Tablet | | |
| | Amount Per Serving | % Daily Value |
| Vitamin B6 (as pyridoxine hydrochloride) | 2 mg | 118% |
| Betaine (as betaine hydrochloride) | 150 mg | * |
| Glutamic Acid (as L-Glutamic acid hydrochloride) | 50 mg | * |
| Ammonium Chloride | 35 mg | * |
| Pancreatin 4X (porcine) | 10 mg | * |
| Pepsin (1:10,000) | 10 mg | * |
| * Daily Value not established | | |

Source of Betaine HCl, Glutamic Acid, Ammonium Chloride, Pepsin and vitamin B-6. Product is the same as HCL-Plus except each tablet also contains 10 mg of pancreatin. Use with chronic indigestion, chronic need for HCl or pancreatic support, bowel dysfunction (diarrhea or constipation), gas, bloating, bad breath, body odor, loss of taste for meat, anemia, pregnancy and low mineral values as seen on a mineral analysis. Begin with 2 tablets in the middle of each meal and increase by 1 tablet every three days until the symptoms are controlled and then begin to reduce. See the note under HCL-Plus indicating support for patients who require continued HCl support.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. IAG™

Product # 6630 (3.6 oz) | Immune Support

IAG™ supplies arabinogalactans, derived from the Larch tree. Arabinogalactans are long, densely branched, high-molecular weight polysaccharides. They act as natural activators of the immune system's complement pathway, enhancing natural killer cell activity.[†] In addition to immune support, **IAG™** also functions as a prebiotic, and is utilized by commensal bacteria to further enhance gut health.[†]

Recommendation: One (1) teaspoon of **IAG™** mixed with six (6) to eight (8) fluid ounces of water or beverage of choice, as a dietary supplement or as otherwise directed by a healthcare professional. **IAG™** mixes readily with water or juice.

| Supplement Facts | | |

* Daily Value not established

Ingredients: Larch laricina isolate.

IAG™ supplies Arabinogalactans - long, densely branched, high-molecular weight polysaccharides, derived from Larch trees.

(Arabinogalactan derived from the Western Larch Tree). This is an excellent product for chronic immune dysfunction, viral infections, inner ear infections (children), free-radical pathologies, allergy, some cases of fibromyalgia, decreased secretory IgA, chronic fatigue syndrome, etc. Product should be considered along with Bio-C Plus 1000 and Iodizyme-HP.

Disclaimer: This document contains product details sourced from manufacturers . Informational purposes only. Does does not constitute medical or marketing advice. Users must always verify usage, warnings, and age-related suitability & use updated information. Intenzyme Forte™

Product # 1207 (50T) # 1201 (100T) # 1202 (500T)
Digestive/Inflammatory Response Support

Intenzyme Forte™ is a broad-spectrum proteolytic enzyme formulation containing pancreatin, bromelain, papain, lipase, amylase, trypsin and alpha chymotrypsin. It may be utilized to support numerous protein metabolism pathways.+ Proteolytic enzymes are capable of exerting influence over a wide variety of physiological and biochemical processes. The benefits of **Intenzyme Forte™** include its effect on muscle soreness and discomfort due to overexertion, the support of hormone processing, as well as providing support for healthy digestive, immune and circulatory functions.+

Recommendation: One (1) tablet three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--|--------------------|---------------|
| Serving Size: 1 Tablet | | |
| | Amount Per Serving | % Daily Value |
| Pancreatin 4X (porcine) | 100 mg | * |
| Bromelain (from pineapple) | 50 mg | * |
| Papain (from papaya) | 50 mg | * |
| Lipase (porcine) | 10 mg | * |
| Amylase (porcine) | 10 mg | * |
| Trypsin & Alpha Chymotrypsin (porcine) | 100 mg | * |
| Superoxide Dismutase (from vegetable culture†) | 10 mcg | * |
| Catalase (from vegetable culture†) | 10 mcg | * |

* Daily Value not established

Other ingredients: Stearic acid (vegetable source), cellulose, magnesium stearate (vegetable source) and food glaze.

† Specially grown, biologically active vegetable culture (from organic peas, lentils, and/or chickpeas) containing naturally associated phytochemicals including polyphenolic compounds with SOD and catalase, dehydrated at low temperature to preserve associated enzyme factors.

Source of animal and plant proteolytic enzymes. Product is high in trypsin/chymotrypsin. Use with systemic inflammation, tissue damage, arthritis, food sensitivity, increased fibrinogen, poor circulation due to inflammation or atherosclerosis (use with Porphyra-Zyme), phlebitis, and free radical conditions. With acute injury, use 10 tablets immediately and then 5 tablets, 4 times a day on an empty stomach for 3 days, and then reduce to 4 tablets, 3 times a day on an empty stomach until the inflammation and swelling abates. With chronic inflammation, arthritis, etc., use 3–4 tablets, 3 times a day on an empty stomach. Intenzyme Forte will help to thin the blood; therefore, it should be used with caution with patients who are on prescribed blood thinners.

Iodizyme-HP™

Product # 1737 (120T) | High Potency Iodine

Iodizyme-HP™ is a high potency iodine supplement, supplying both iodine and iodide. As a result of decreased iodine status due to the typical Western diet, optimal thyroxine is not always produced, thus potentially affecting normal thyroid function.+ The use of oral iodine/iodide can aid in circumventing this issue. Although approximately 80% of the dietary intake of iodine is sequestered by the thyroid gland, other tissues concentrate iodine as well. These tissues include the salivary glands, the gastric mucosa, the choroid plexus, the mammary glands and the ovaries. Published information suggests iodine/iodide helps to maintain healthy hydroxyl estrogen ratios as well. **NOTE: This product is available only to practitioners who are authorized to order blood work.**

Recommendation: One half (½) tablet each day as a dietary supplement or as otherwise directed by a healthcare professional.

Warning: High dose iodine products should only be used under the direct supervision of a healthcare professional that is licensed to diagnose and treat. Not recommended for pregnant or lactating women.

| Supplement Facts | | |
|--------------------------------------|---------------------------|----------------------|
| Serving Size: ½ Tablet | | |
| Servings Per Container: 240 | | |
| | Amount Per Serving | % Daily Value |
| Total Iodine/Iodide | 6.25 mg | 4,167% |
| Iodine | 2.5 mg | |
| Iodide (as potassium salt) | 3.75 mg | |
| * Daily Value not established | | |

Other ingredients: Cellulose, stearic acid (vegetable source), magnesium stearate (vegetable source), silica and food glaze.

Consider 1–2 teaspoons, 3 times a day for chronic problems and up to 6 teaspoons, 3 times a day in the acute phase. For children, consider 1/2 teaspoon, 1–3 times a day. With reduced secretory IgA, use with Cytozyme-THY, Immuno-GG, and BioDoph-7 Plus.

Liposomal Glutathione Capsules

Levels of glutathione decrease as we age, glutathione is the body's most powerful antioxidant protecting us from environmental toxins and pollutants. While most glutathione supplements break down in the stomach and can't be absorbed in the body, with our proprietary liposomal encapsulation technology, you get maximum glutathione absorption allowing this key nutrient to work for you on a cellular level.

SKU #LG60
(60 Capsules)

BENEFITS

Antioxidant activity

May prevent cancer progression

May reduce cell damage in liver disease

May improve insulin sensitivity

Anti-ageing

Supports gastrointestinal health

Immune system support

Non-GMO

Dairy free

Gluten free

INDICATION

- Detoxification
- Anti-ageing
- Antioxidant support
- Mitochondria support
- Skin health
- Fatigue
- Cellular function enhancement

SUGGESTED USE

1 capsule a day with or without food.
Or as directed by your HCP.

LIPOSOMAL GLUTATHIONE SUPPLEMENT FACTS

Serving Size: 1 capsule
Servings Per Container: 60

| AMOUNT PER SERVING | % DAILY VALUE* |
|-----------------------|----------------|
| Reduced L-Glutathione | 250 mg † |

* The % Daily Values are based on a 2000 calorie diet.
† Daily Value Not Established

Other Ingredients: Proprietary blend (Non-GMO Sunflower Oil and Sustainable Palm Oil), Vegetarian capsule (Cellulose)

No gluten, dairy, soy, or GMO-containing ingredients.

Liposomal Vitamin C Capsules

Our pure, non-GMO Vitamin C delivered in a liposomal form — ensuring maximum absorption for powerful immune and antioxidant support.

BENEFITS

Potent antioxidant

Augments immunity

Skin health

Supports collagen repair

Connective tissue support

Adrenal health support

Non-GMO

Dairy free

Gluten free

INDICATION

- Frequent colds and coughs
- Low immune response
- Skin diseases and skin health
- Adrenal fatigue and subclinical
- Adrenal stress
- Antioxidants need
- Low vitamin C intake
- Diseases linked to low vitamin C

SUGGESTED USE

Take 2 capsules per day with or without food, or use as directed by your Healthcare Professional.

LIPOSOMAL VITAMIN C SUPPLEMENT FACTS

Serving Size: 2 capsules
Servings Per Container: 30

| AMOUNT PER SERVING | % DAILY VALUE* | |
|--|----------------|--------|
| Vitamin C (as Quali®-C Ascorbic Acid) | 1,000 mg | 1,111% |

† Daily Value Not Established

Other Ingredients: Proprietary lipid blend (Non-GMO Sunflower Oil and Sustainable Palm Oil), Vegetarian capsule (Cellulose) No gluten, dairy, soy, or GMO-containing ingredients.

Liquid Iodine Forte™

Product # 1736 (2 fl oz) | Potassium Iodide

Liquid Iodine Forte™ supplies 150 mcg of iodine (as potassium iodide) per drop. Iodine is an essential trace mineral, and is vital to healthy thyroid function.⁺ Approximately 80% of the dietary intake of iodine is sequestered by the thyroid gland. However, other tissues concentrate iodine as well, including salivary glands, the gastric mucosa, choroids plexus, the lactating mammary gland and the ovaries. Decreased iodine status may result in an insufficient production of thyroxine, and thus may impact thyroid function.⁺ Vegetarians may also be at increased risk of iodine deficiency.

Recommendation: One (1) drop each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--------------------------------|--------------------|---------------|
| Serving Size: 1 Drop (0.05 mL) | | |
| | Amount Per Serving | % Daily Value |
| Iodine (as potassium iodide) | 150 mcg | 100% |

Other ingredients: Purified water, citric acid and sodium benzoate.

150 micrograms of potassium iodide per drop. Use where a higher concentration of iodine is required (douche, significant thyroid hypofunction or hyperfunction, etc.). Use at one-half the dose of Liquid Iodine.

Mucolyxir[®] Nanotech Nutrients[®]

Item #75360
12 mL (0.4 fl. oz.)

Mucolyxir[®] provides a small amount of DNA from wild Pacific salmon, which may help balance mucus levels via a regulatory mechanism.* Based on pre-clinical investigations and clinical trials, Mucolyxir[®] appears to support liquification and elimination of mucoid substance.*

Suggested Use

As a dietary supplement, 1 or 2 drops, placed in mouth slowly, then swallowed, one to four times daily, or as directed by a healthcare practitioner. To avoid dilution, do not eat or drink for 5 minutes after taking.

Serving Size: 1 drop (0.05 mL)

Servings Per Container: 240

Amount per serving:

DNA (from Salmon) 0.3 µg

Other ingredients: Deionized water, glycerin, sodium chloride, lactic acid, potassium sorbate.

By supporting regulation of the anti-DNA activity of the immune system, and by stimulating mucociliary clearance, Mucolyxir[®] (DNA from wild **Pacific salmon**) may support two distinct and complementary functional pathways that then may result in decreased mucus viscosity, enhanced expectoration, increased aeration, and healthy bronchial function.*

Ingredient found in Mucolyxir[®]

NAC Capsules

N-acetyl-L-cysteine, provides a stable and highly absorbable form of L-cysteine. Renowned for its superior absorption, NAC serves as a potent antioxidant, safeguarding cells from oxidative stress.

SKU #5205
(180 Capsules)

BENEFITS

Prevents oxidative stress

Provides immunological support

Delivers potent antioxidant activity

Supports the central nervous system

Aids in detoxification

Offers anti-inflammatory effects

Inhibits abnormal blood vessel formation (anti-angiogenic)

Helps prevent cellular dysfunction

Modulates metabolism

Gluten free

Dairy free

GMO free

INDICATION

- Antioxidant
- Immune support
- Heavy metal chelation
- Chemical detoxification
- Oxidative stress
- Influenza
- Mucus viscosity
- Free radical pathology
- Bronchial congestion
- Glutathione insufficiency in immune and hepatic dysfunction
- Protection against the adverse effects of chemopreventive and chemotherapeutic agents

SUGGESTED USE

One (1) capsule two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

***Available for Retail in- clinic**

Product # 5205 Rev. 02/23

Neutrophil Plus®

Product # 6350 (90C) | Immune Support

Neutrophil Plus® is a unique combination of vitamin, mineral, glandular and botanical constituents, along with RNA to support normal, healthy phagocytosis. Neutrophils, one of the three types of granulocytic white blood cells (leukocytes), are the hallmark of a normal, acute inflammatory response.* They are the most abundant of white blood cells, accounting for ~60% of all leukocytes. Neutrophils are phagocytes, capable of ingesting microorganisms or particles. All leukocytes have a minimal life span, thus have a high turnover rate. As such they are extremely vulnerable to mineral, vitamin and antioxidant deficiencies. The complex interplay between multiple cell types and intercellular messengers makes nutritional status both subtle and far-reaching, particularly when it involves immune activation. Certain minerals, such as zinc, copper and calcium, are especially important in supporting optimal immune function.*

NO Inducers*

Nitric Oxide Support*

NO Inducers* provides a synergistic blend of nutrients, formulated to promote endogenous nitric oxide (NO) production.* Produced in the blood vessels, nerves, and immune cells, endogenous NO plays many roles in the body, such as supporting normal, healthy blood pressure, mediating penile erections, supporting normal, healthy blood flow to the brain and other tissues, enhancing muscle oxygen use during exercise, and supporting immune health.*

NO can be produced via reduction of dietary nitrate and nitrite to NO, or conversion of arginine, a conditionally essential amino acid, to NO using the enzyme nitric oxide synthase (NOS). Various other amino acids, enzymes, and antioxidants assist in the production or retention of NO within the body.* Unfortunately, endogenous NO production declines with age, and can be inhibited by various diet and lifestyle factors, nutrient or antioxidant deficiencies, and medications.

Optimal EFAs®-BC

Product # 1418 (120S) | Balanced EFAs with Black Currant Seed Oil

Optimal EFAs®-BC supplies a unique balance of omega-3, -6, and -9 fatty acids by using the highest quality fish, flaxseed, and black currant seed oil. Each capsule provides optimal ratios of alpha-linolenic acid (ALA), eicosapentaenoic acid (EPA), docosahexaenoic acid (DHA), gamma-linolenic acid (GLA) and oleic fatty acids.

Optimal EFAs®-BC contains EPA and DHA sourced from a strategically-placed facility in the far South Pacific Ocean off the coast of Chile, guaranteeing the freshest fish oil available with full traceability and unparalleled purity.

Recommendation: Two (2) softgel capsules two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant women.

Ingredients: Capsule shell (gelatin, glycerin and water), natural mixed tocopherols, and rosemary extract.

Contains ingredients derived from anchovy.

| Each Each serving of Optimal EFAs®-BC provides: | |
|---|--------|
| ALA (Alpha-Linolenic acid) | 530 mg |
| EPA (Eicosapentaenoic acid) | 205 mg |
| DHA (Docosahexaenoic acid) | 154 mg |
| GLA (Gamma-Linolenic acid) | 152 mg |
| Oleic acid | 200 mg |

Designed by Dr. Alex Vasquez. Two capsules supply 280 mg of ALA, 159 mg of EPA, 105 mg of DHA, 112 mg of GLA, and 204 mg of oleic acid. The fatty acids are derived from a unique blend of fish, flaxseed, and borage oil. Use with inflammation, endocrine dysfunction, free radical problems, lipid/glycemic problems, and highly refined diets. This is an excellent long-term fatty acid supplement. 2-4 capsules, 3 times a day.

Saccharomyces boulardii

Product # 7900 (60C) | Gastrointestinal Support

Saccharomyces boulardii is a viable yeast that is genetically different from Baker's yeast, and does not contain milk components. *S. boulardii* is a true biotic, or living organism, which has been shown to have beneficial effects on intestinal microbalance when administered in adequate amounts. *S. boulardii* is not part of the naturally occurring gut flora, and is not significantly impacted by antibiotics. Oral administration achieves steady state concentrations in the colon within three days, but does not colonize in the intestinal tract. The organism is typically cleared from the intestinal tract within 2 to 5 days after discontinuation. Each capsule supplies 235 mg of **Saccharomyces boulardii**, providing a minimum of 4 billion organisms at the time of manufacture.

Recommendation: One (1) capsule one (1) to three (3) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant women.

| Supplement Facts | | |
|--------------------------------------|--------------------|---------------|
| Serving Size: 1 Capsule | | |

Selenomethionine

Product # 1275 (90C) | High Potency Selenium

Selenomethionine, an organic form of selenium, is a readily absorbable form of this essential trace mineral. Selenium functions as an integral part of glutathione peroxidase, an important antioxidant enzyme, and is required for normal thyroid function.

Recommendation: One (1) capsule each day as a dietary supplement or as otherwise directed by a healthcare professional.

| Supplement Facts | | |
|--------------------------------|--------------------|---------------|
| Serving Size: 1 Capsule | | |
| | Amount Per Serving | % Daily Value |
| Selenium (as selenomethionine) | 200 mcg | 364% |

Other ingredients: Cellulose, capsule shell (gelatin and water), magnesium stearate (vegetable source) and stearic acid (vegetable source).

Each capsule contains 200 micrograms of selenomethionine, an organic form of selenium. Consider for most viral problems to include HIV, EBV, CMV, etc., cataracts, coronary artery disease, certain types of free-radical problems, patients on TPN, Crohn's disease, digestive inflammation, heart disease, and increased liver enzymes. 1–2 capsules per day. It should be noted that selenium toxicity is possible when ingesting over 1000 micrograms per day.
